

# THE GROUNDS

COFFEE & DELI KITCHEN

## Covid-19 Guidelines (you know the drill!)

- Only 4 people in at any one time
- Please wear a mask if you are able to
- On arrival please use the hand sanitiser
- Remember to keep your distance
- Use contactless payment whenever possible
- We know it's tempting but please don't hang around once you have purchased your goodies.

Please understand that we are a small business trying to do what we can in these crazy times.

We want nothing more than to welcome you with open arms – fingers crossed that day is soon because we can't wait to get to know you.

In the meantime, enjoy your takeaway treats.

Lots of love
